Foreword

OUR HIGH SCHOOL *years are unlike all others of our existence. They symbolize an end and a beginning—the termination of our carefree childhood, and the commencement of our mature, responsible, young adult lives.*

Although it is impossible to compile all the events in our lives, some pieces can be fitted together to form not a picture, but a mosaic—our theme.

This mosaic of ours has no border; it is not confined to a definite frame because our mosaic is life itself. That "A" in English, that thrilling football game, that memorable night at the Senior Prom are all held together by the interaction of the students themselves. The total scene would be myriad fragments in varying colors, shapes, and sizes, combined to make a bright and beautiful memoir of the flowering, the golden season of our lives—our high school years.

The Senior Class of 1965 is the first class to complete three years at the new Clifton Senior High School. During this time you have had the privilege of participating in the growth of a new school program. Its accomplishment has been the result of the combined efforts of the students and staff.

Congratulations to the Yearbook Staff and the Senior Class for this fine Yearbook. May I wish you success, health, and happiness in the future.

The faculty point the way to knowledge

A FACULTY COMPRISED of dedicated and capable men and women is the backbone of any learning experience. This group face students each day with a continuous desire to secure man's right to knowledge by leading students to the threshold of education and beyond.

Here then are the essential ingredients in the unifying adhesive of our mosaic — the Faculty.

Miss Evelyn Geitzenauer, secretary to Mr. Aaron Halpern, keeps busy every minute typing memorandums or answering phone calls.

Clerical staff performs efficiently to keep C.H.S. running smoothly

ALL MATTERS pertaining to clerical work are efficiently handled by our secretaries. Each minute that a new task arises they attend to it immediately. Whether answering the phone, checking on appointments, compiling the attendance records, or doing those mysterious things in the automation room, they are never too busy to assist the student in need.

Mrs. Marie Murphy looks up for a moment from her numerous typing tasks.

In the Automation Department, Mrs. Margaret Odams uses the accounting machine for report cards.

Absentee records are quickly tabulated by Mrs. Gladys Fritz.

Any questions or information about the school are answered by Mrs. Teresa Weber in the main office.

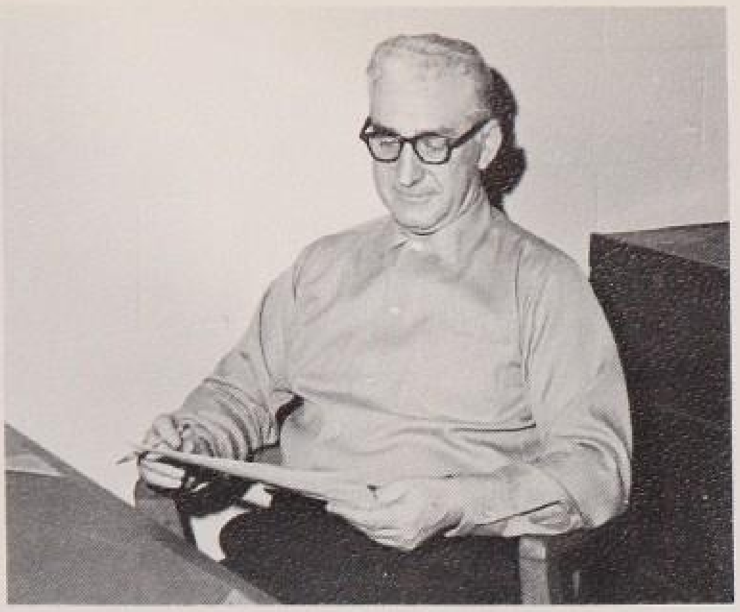
"Hello. Yes, this is Mrs. Mahonchak, Mr. Gersie's secretary. Can I help you?"

One can always find help in the Junior office with the proficient Mrs. Nancy Nosal as secretary.

Mrs. Pauline Loikith handles all the clerical work for Mr. Mayer in the Guidance office.

In Mr. Di Falco's office in the Sophomore Wing, Mrs. Dorothy Frank handles all clerical matters.

The A.V.A. could never run efficiently without the helpful aid of Mrs. Marion Urban.



Mr. Lichtenberger, head custodian, reviews his agenda for the week.

Custodians provide good working environment

LEARNING is a more pleasant experience when the environment is clean and neat. Our custodians are a group of reliable, capable men and women, who strive to keep our school and its grounds meticulous. They work diligently to deliver supplies and materials for our convenience. Without these hard-working people, Clifton High School could not function efficiently.

Neither rain nor snow nor sleet can stop our custodians from completing a job.

Seen mostly in the Senior Wing, Mr. Wood makes sure the floors are spotless.

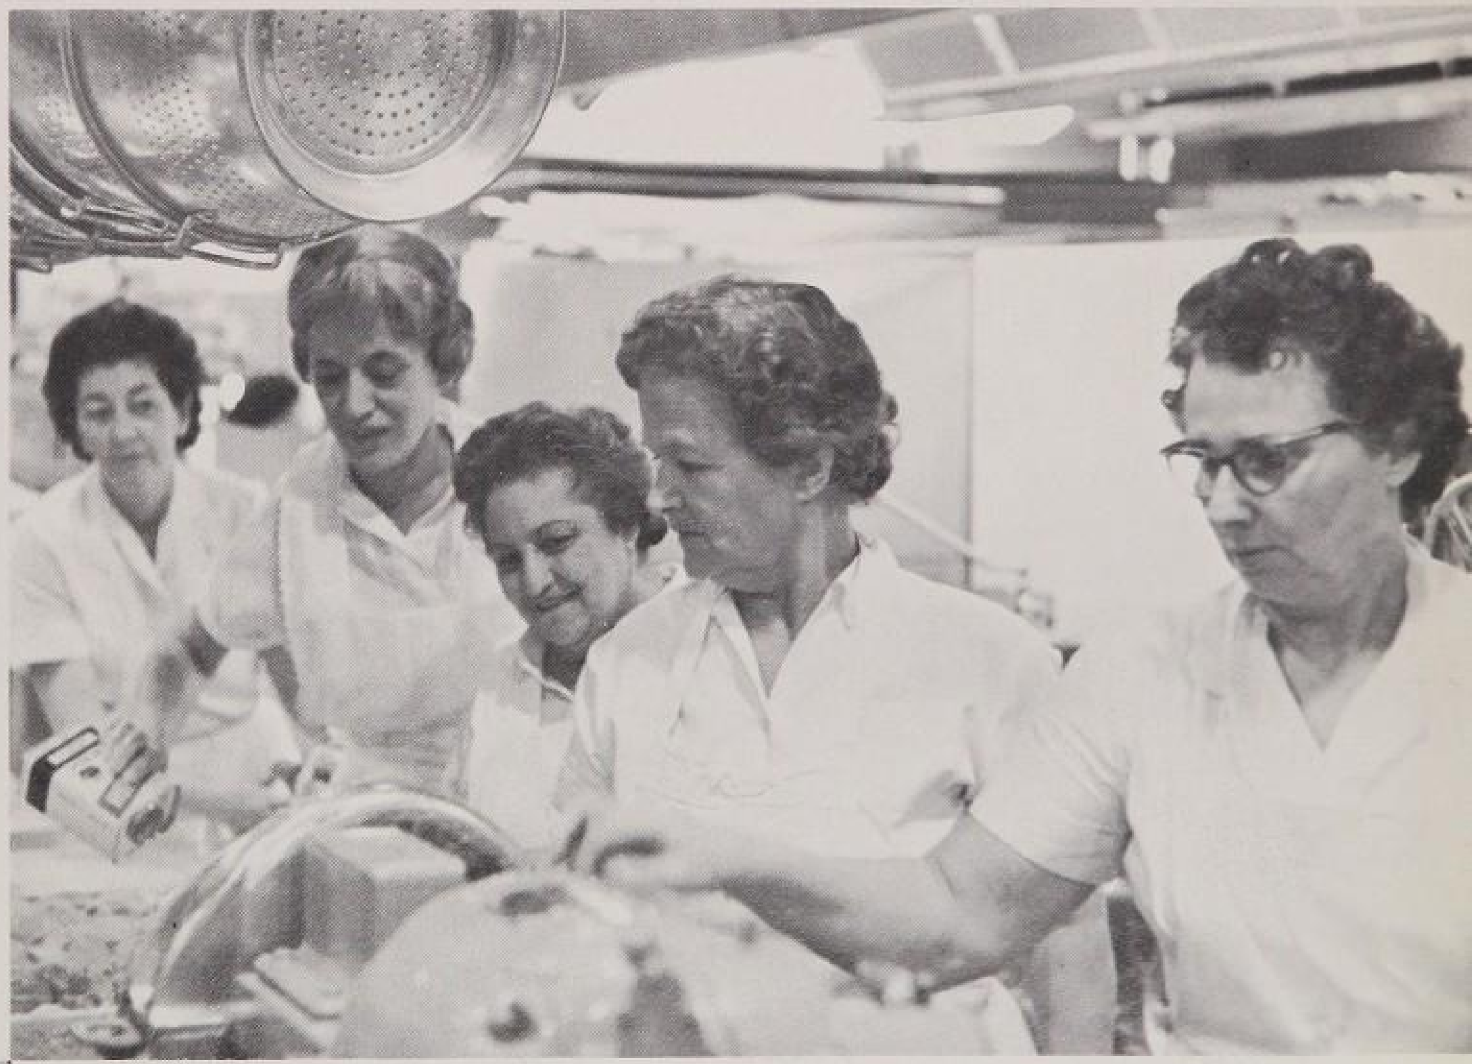
A moment's pause before Mr. Duben starts rolling out supplies.

Cafeteria staff work hard to appease hungry appetites

A few last minute preparations before the rush for lunch is on.

Mrs. Oeser plans lunches for the coming week.

THE CAFETERIA WORKERS are continuously busy, preparing and planning meals for the students and faculty. It is not an easy job to appease the appetites of more than three thousand people, but they work diligently and serve each meal with a smile.



Lots of superintendents as the final seasoning goes into the hamburgers.

Rolls and butter and tuna fish = C.H.S.'s favorite sandwich.

DEAR CLASS SPONSORS,

As we graduate from Clifton High School, we leave behind not only fond memories but also a note of gratitude and appreciation to you. Without your firm support and guidance, our class activities and functions would not have been so successful. Your willingness to contribute time and effort did much to make our Senior Year a most memorable one. *We thank you* is a brief but sincere expression to sum up our gratitude for everything.

Seniors

FACES, HUNDREDS OF FACES belonging to the seniors of C.H.S., are placed on the following pages.

Here are faces which change under varying circumstances—excited faces at sports events . . . worried faces at report card time . . . tense faces during tests . . . happy faces at 2:40.

The portraits will always remain on these pages; if those whom they portray become vague in our memories, we shall be able to look back and they will spring once again into focus.

These faces will change with the passing years. They will emerge as doctors, politicians, teachers, businessmen . . . and as strangers, friends, and lovers.

In years to come, we shall always be able to open our yearbook to this section and recapture pieces, which, fitted together,

FORMED THE CLASS OF 1965.

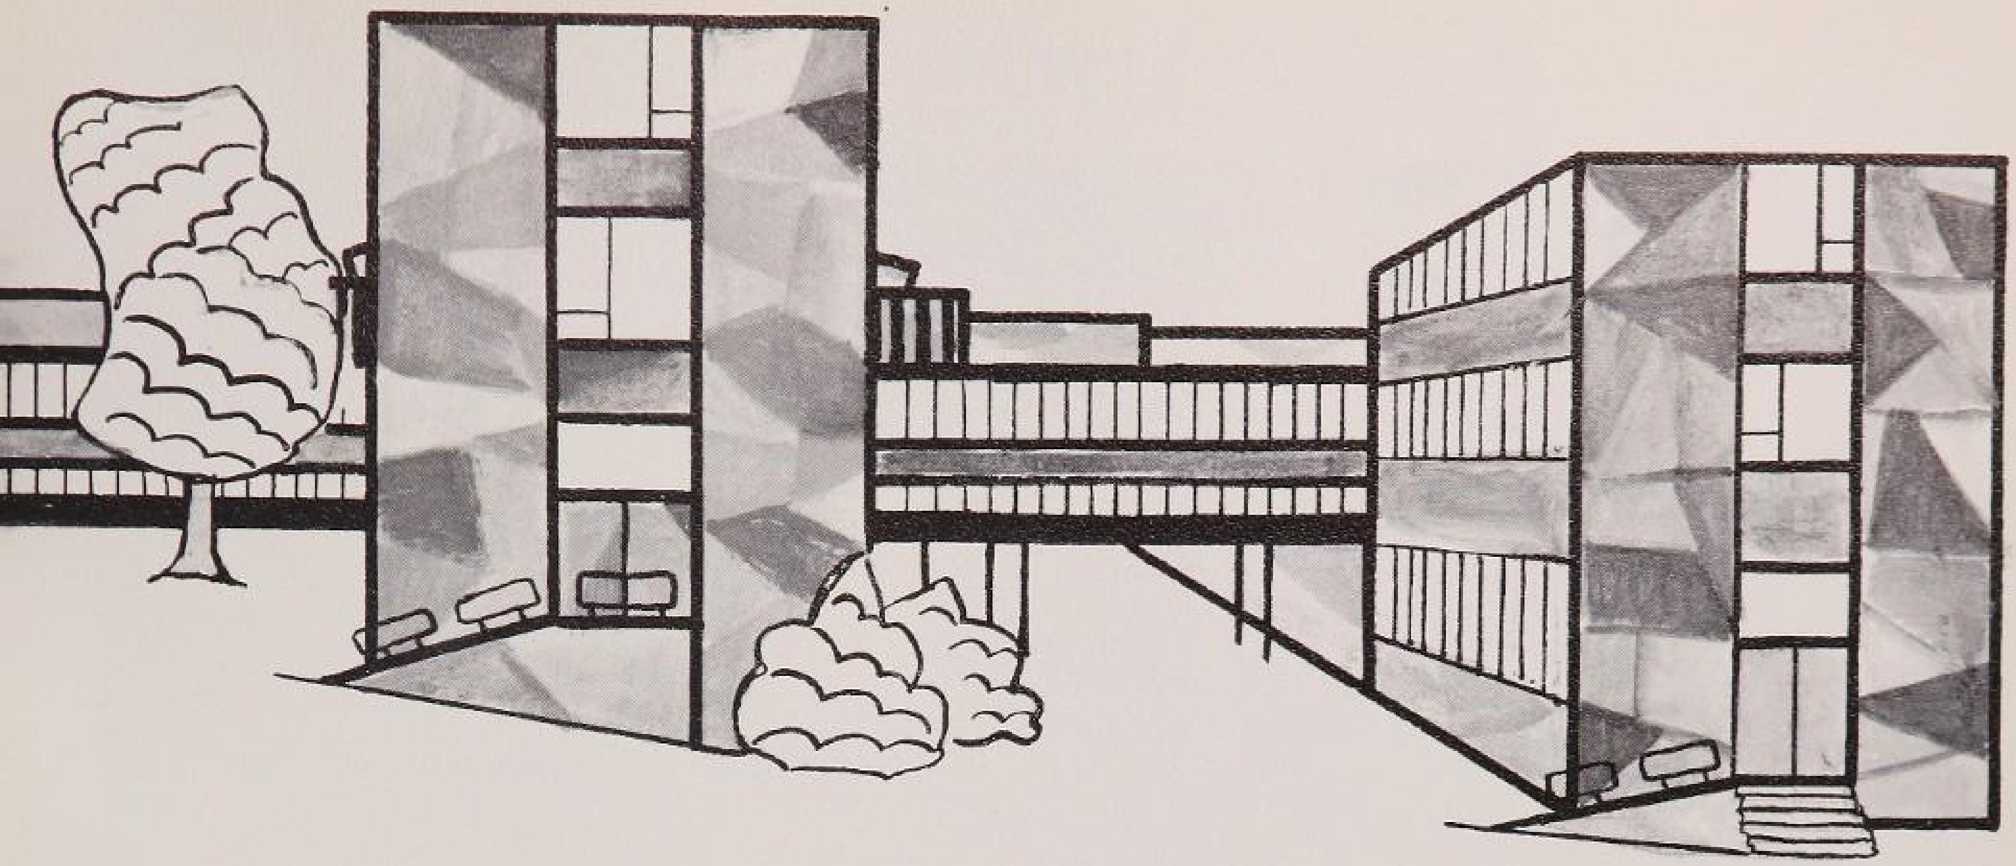
Class History

Pieces slipping into place
Each bearing its own significance,
Becoming visible,
The beginning of our High School Mosaic.
Class of '65,
First to enter as Sophomores;
Leave as Seniors.
For us, the magnificent splendor
Of the new structure,
As a whole formed maze.
Finally confusion subsided—,
Our mosaic took form.
School spirit rose to its peak :
The Mustang Band victoriously
Returned from Holland ;
Undefeated, our football team became
State Champs;
Ethel Silverman brought fame to
Clifton High—U.S. Delegate to the World Youth Forum.
Elections laid a foundation of class government:
Listening, watching, thinking, campaigning—
We cast our votes.
A wise selection then led to a
Successful Valentine's Dance.
We shall never forget
Those memorable I.W.P. Periods,
Getting accustomed to a new
Marking system,
Meeting new people,
Forming new friendships.
More confident we returned as Juniors.
Awaiting us . . . our new principal,
Mr. Aaron Halpern.
ALSO
Tragedy!
November 22, 1963.
What we lost,
We shall never forget.
BUT
Through the darkness of grief
Brighter moments shone.



Once again victory hailed,
C.H.S.—P.V.C. Co-Champs.
The Coming of April,
The coming of sentiment—
Class rings,
Junior Prom.
Eager were we to experience
College Boards—
But not anxious to receive our scores.
Broadway came to C.H.S.
Oklahoma—a big success.
Another venture,
Another surprise,
Remember the Hootenanny?
And thus,
Another year ended,
With proud Junior girls in the
Guard of Honor.
We left for vacation,
Not fully aware that—
"We are finally Seniors!"
The final tile
Is slipping into place.
Soon
The picture will be complete.
Never forgotten—
Our Mustang Balloon,
Symbol of our undaunted school spirit.
Always remembered—
Our voices, so hoarse
From varsity games.
Our new G.O. cards—
Entrance ticket to
Student Council Affairs:
Student Faculty Game,
Pep Rallies, and
Christmas Alumni Dance.
A crowded guidance office
Frequently visited
By questioning students.
Piles of applications and
Scholarship forms.
What college will accept me?
Which job should I take?
A night to remember.
Our wonderful Senior Prom.
Class Day,
Graduation—The final tiles.
The picture is still unfinished
For our mosaic has no borders;
It is not confined to a definite frame,
Because—
As we live, grow, and learn
So will grow our mosaic.
Our mosaic is life itself.

The portion just revealed,
Three pieces placed together
With care and thoughtfulness,
Will remain in our
Hearts,
Souls, and
Memories
Forever and ever.

CUPID'S CAPERS

The pace changes from rock'n'roll to romantic music.

King Joe Spinoso and Queen Miriam Lutz pose with Mr. Halpern and Mr. Gersie.

Time out for refreshments and a moment's relaxation.

Cupid's Capers

The dance comes to an end but our memories will live on forever.

Excitement prevails as alumni start to arrive at the dance.

The music livens up as we get into the Christmas spirit.

Everybody twist!

Old faces bring back memories at Christmas alumni dance

The last dance and the end of a perfect evening.

MERRY CHRISTMAS

The holiday spirit takes over as everyone dances.

A night to remember: Our Junior Prom "Stardust"

The weather was damp, but everyone arrived looking fine.

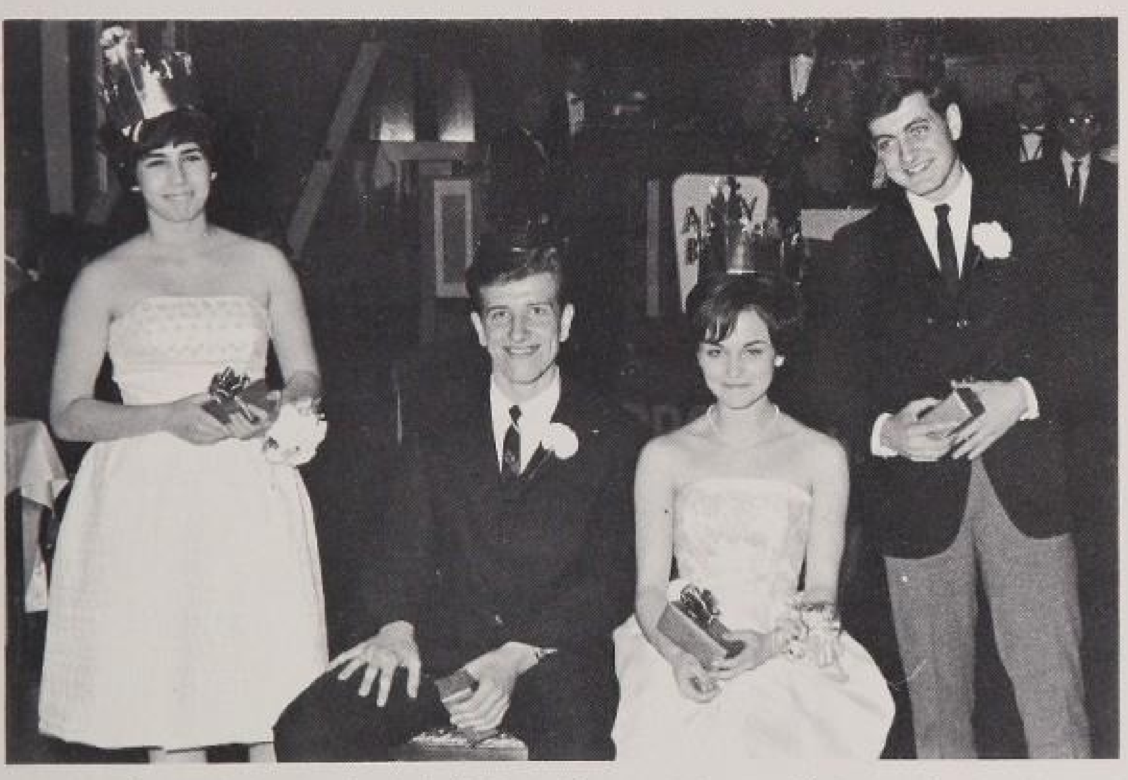
The Difalcos and the Swatts were present for the evening's festivities.

A perfect evening could never have been held without the aid of the chaperons.

Before dinner, a delightful smorgasbord was arranged for hungry arrivals.

Everyone was anxious to talk about their hourly preparations for the big evening.

The King and Queen cut the cake.



The royal court consisted of Linda Nochimson, Princess; Bill Redl, King; Debby Paris, Queen; and Robert Stevens, Prince.

They could have danced all night.

Student Council Association adapts school policies to the students' needs

THE STUDENT COUNCIL ASSOCIATION is the core of student government in Clifton High School. It is composed of five delegates from each of the three class levels. In addition five officers are elected on a school wide basis. Every student has a voice in the central government through his homeroom delegate and wing-level officers.

Besides coordinating the three classes, the Student Council Association supervises disbursements for all clubs. The S.C.A. is also responsible for school spirit through the Booster Club. The Constitution, School Improvement, Finance, and School Spirit Committees of the S.C.A. also render various services to the school.

All school activities come under the jurisdiction of the S.C.A. This year the Student Council Association has sponsored three dances, a play, a talent show, a new dance band club, and the student-faculty basketball game. Internationally the S.C.A. has sent photographs to a high school in India and "adopted" a child in Hong Kong.

The ever-growing activities and interests of the student body are proof of the accomplishments of this organization.

For the "Help Someone" campaign, Marty Rabkin, Bonnie Burdzy, Linda Tabbach, Linda La Brunda, and Joanne Kalish sell Thanksgiving corsages.

Getting to know Monika

A HIGHLIGHT OF THIS PAST SCHOOL YEAR was the three-week visit at Clifton High School by Monika Kalista, Austrian delegate to the *New York Herald Tribune* World Youth Forum. Clifton High was honored to have been chosen as a host school for Monika—a charming and intelligent Austrian student. While in Clifton, Monika lived at the home of Mr. and Mrs. Emil Sakas and student hostess, Murem Sakas.

From the international welcoming assembly on January 25 to the farewell assembly of February 11, Monika formed many new friendships, varied impressions, and received tangible mementos of her visit. Monika received a handsome school ring from the Student Council Association which sponsored a tea February ninth in her honor. The Majorette Club made her an honorary member as did the Concert Choir. Monika had a diversified active and full program which included basketball games, attending various local churches and meeting their clergy, meeting Clifton city officials, attending a Senior Girl Scout meeting, shopping at the Garden State Plaza, taking in *My Fair Lady*, taping a World Youth Forum TV program in New York, and meeting informally local students and Cliftonites.

As Mr. Halpern said in his remarks at the farewell assembly—"We shall miss Monika, but we shall never forget her."

Monika expresses her thanks at the tea held for her by students and teachers.

Clifton goes to the Fair

ALL OF CLIFTON went to the Fair on May 22, 1964, (or so it seemed). The New Jersey Pavilion was crowded as the Mustang Band opened the program with the National Anthem. There were addresses by Mayor Ira Schoem and Principal Aaron Halpern. Musical selections by the Band, directed by Mr. Saul Kay, and the Chorus, directed by Mr. Frank Jackson, delighted a large and appreciative audience. Those who were fortunate enough to be present came not only from Clifton but from the entire state and country.

Mayor Ira Schoem addressed the public on Clifton Day at the World's Fair.

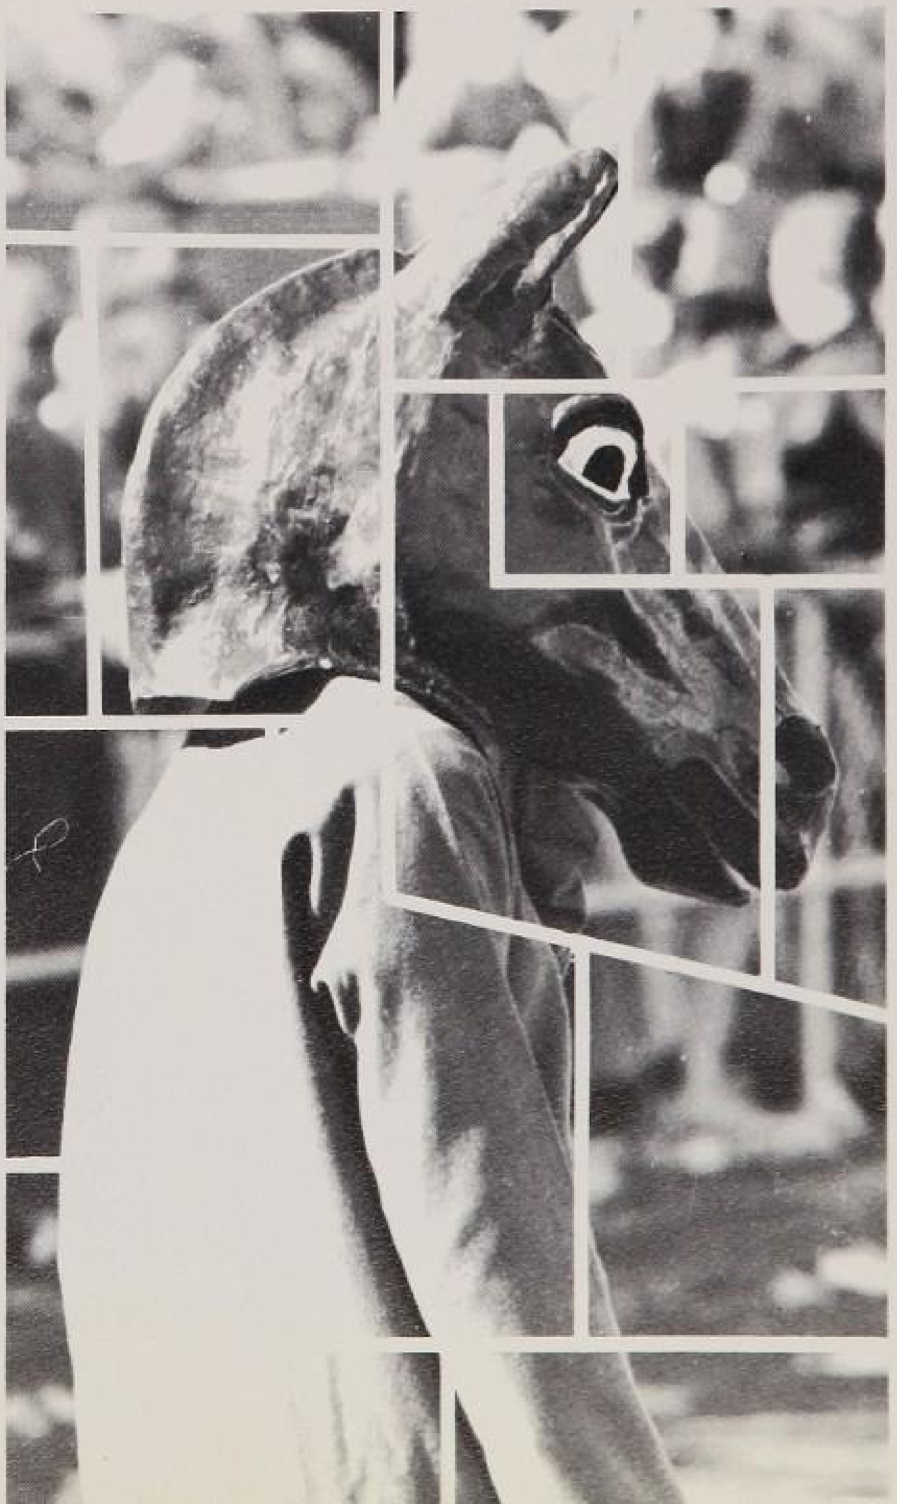
SPORTS



The Athletic Program offers opportunity for many

WITHOUT THE ENTHUSIASM and spirit fostered by athletic competition, the integral picture of our high school mosaic would always remain incomplete. In victory or defeat, athletics create the common medium binding the student with his pride for his school. It is this spirit that stimulates the all-out effort of a determined athlete and the devoted support of the students themselves.

Besides the varsity competition, this enthusiastic desire is exhibited by the participants in intramural activities, clubs, cheerleading, and gym classes. The sum total of all these activities and varsity sports determines the quality and reputation of Clifton High School's athletics.

Although there are only eleven participants on a football gridiron, five on a basketball court, and nine on a baseball diamond, participation by the entire student body of Clifton High is justly represented by the spirit of her athletes. The glory in their victory is everyone's glory; the sorrow of their loss is shared by all.

The Clifton High School athletes of 1965 have exhibited the spirit and effort that makes them worthy of their title —FIGHTING MUSTANGS!

THE CLIFTON MUSTANGS fought their way for a 5-4 record under a new head coach, William VanderCloster. Clifton defeated Central, Bloomfield, East Rutherford, Nutley, and Garfield.

The offense was led by halfback Eddie Zak who was a P.V.C. All-Star choice. Besides being the team's top scorer, he averaged better than ten yards per carry. Ted Debiak, captain of the fighting Mustangs, led the team in interceptions, including three against East Rutherford. He also played flanker on offense. The front line included Steve Libin, Bill Capuano, Rich Schmazel, and Ken Hastic, a promising junior.

Of course, injuries to tackle Andy Walters and back Teddy Debiak hurt the team's chance for a better season. However, the upset of the year came against Nutley, when Clifton was victorious by a score of 27-6, as Eddie Zak scored three times.

The side-lined Bob Reptak and Andy Walters anxiously anticipate a Mustang touchdown.

Initial Soccer season indicates bright future

FOR THE FIRST TIME since 1939, Clifton High School fielded a varsity Soccer Team. Under the able guidance of Head Coach Severin Palydowycz, the new team produced a fair record of three wins, five losses, and four ties. Competing against many of the best soccer teams in the area, Clifton High's soccer squad gave with their greatest effort.

Led by senior Co-captains Mike Osman, right halfback, and Carlos Arlotta, inside-right, the team quickly defeated such opponents as East Paterson, Ramapo, and Bergen Tech.

Also helping on the offensive attack was junior Chet Guzik who ranked high in scoring in the Passaic-Bergen standing. Center half-back, Ken Wanio, exhibited much aggressiveness and ability throughout the season, while goalie, Pete Dobko, brilliantly defended Clifton's goal from onrushing rivals.

Captain Mike Osman accepts the game ball from Coach Severin Palydowcyz.

Mustang Harriers roll to PVC title

BY FAR THE brightest light to shine on the Clifton fall sports scene was the smashing success of the cross-country team. The swift-footed Mustangs corraled nine victories in succession, including all seven Passaic Valley Conference meets, while compiling a dual record of 10 and 2.

Co-captains Jim Smith and Ron Ryan forged the trail; and, together with seniors, Joe DeMaio, Bob Scott, Richie Schwarz, and junior Bob Rothe, galloped to triumph after triumph. Truly phenomenal was the outstanding performance of Jim Smith who time after time broke existing course records defeating every area runner who opposed him.

The peak of the season came when the Mustangs swarmed to victory in the PVC Championships. Smith, Ryan, Rothe, DeMaio and Scott captured first, second, third, fourth, and tenth place respectively. So complete was the victory that not even all other seven conference teams combined would have defeated Clifton.

The harriers next crushed state power Montclair to dominate the Passaic county meet. Again Jim Smith led Clifton across the finish line at the Garret Mountain course. Certainly, the 1964 cross-country team ranks as one of the best teams in the history of Clifton sports.

A Clifton grappler nears success with a pin of his opponent.

Grapplers enjoy successful season

THE CLIFTON HIGH SCHOOL Wrestling Squad, after only three short years of varsity competition, ended its 1965 season with a winning record of seven wins, four losses, and one tie. Competent Head Coach Joseph Ivers guided his team to victory over such wrestling powers as East Paterson and Bloomfield.

After the regular season competition, the grapplers traveled to Leonia and the District Championships. Once again the men of strength came through as they took second in the meet with a solid thirty-nine points and four gold medals. Captain Jeff Dreyfus went on to victoriously represent Clifton in the Regional Championships and place third in the State Championships held at Rutgers University.

ALTHOUGH THE Clifton High School basketball team had a disappointing season they put forth great effort. Led by 6'5" junior, Al Yuhas, the leading rebounder and scorer of the team, the Clifton Cagers compiled an overall season reward of 7-14.

Despite the fact that the team experienced a losing season, players like Co-captains Doug Asper and Bob Badami, Ed Zak, and Sam Pennella were scrapping all season.

One of the surprises of the season was the tremendous effort in the close game between Passaic and Clifton, for the team never lost the "fighting Mustang spirit."

Tennis becomes a new team sport in Clifton

DESPITE THE inexperience which often accompanies a first-year team, Clifton High's tennis squad made a rather good showing by copping two matches. Of the seven matches lost, four were close one-point decisions where a single score the other way would have turned the tide to victory for Clifton.

Under the supervision of Coach Severin Palydowycz and returning lettermen Steven Hirsch and Michael Chinich, the tennis team will be looking forward to its second varsity season with bright hopes for a good team.

Fine performances were turned in throughout the season by Joe Westervelt, Bruce Meyer, and Donald Kivowitz.

Of th campaign's four losses, the clubmen dropped two to Wayne and one to Passaic Valley, the top teams in the league.

Clifton's Track Team undergoes change

THE YEAR 1964 proved to be a year of change for the Clifton High School Track Team. Under a new head coach, Ed Zak, the men of track and field challenged five new rivals in the spring and traveled to three invitational relay meets in New York, Philadelphia, and Long Branch.

During the regular season, the team compiled a successful record of ten wins and three losses. Clifton readily overran all the P.V.C. Teams. The Mustangs placed third among eleven teams in the Passaic County Meet. Two seasonal losses came at the hands of two great track powers, Montclair and Wayne, while Passaic Valley subdued Clifton by only one point to make the third loss.

The Seniors were led by Captain Dennis Toth, miler Greg Tsoucalas and discus man Bob Benko. In addition, the team was sparked by the Junior talent of Jim Brine, Ed Zak, and Joe De Maio; and by Sophomores Paul Rutt and David Tillery. These men will form the nucleus of a challenging track team for 1965.

Baseball team has average season

CLIFTON HIGH SCHOOL'S baseball team under new head coach John Hargraves posted an overall record of eleven wins and twelve losses and eight and six in the P.V.C. The hitting of the team was led by seniors Jim Hunter, Tom Brady and a promising junior Rich Vasil who led the team in homers. The pitching was led by Al Lupinacci, Rich Ahlert and Tom Brady. Consistent hitters were Joe Casini, Howie Stier, Ed Blatt and Doug Kondra.

The biggest thrill of the year came in the third game of the season when Tom Brady no-hit Paterson Eastside by a score of ten to nothing. In the seventh game of the season, against Passaic, Clifton, sparked by Vasil's homer, scored fourteen times in the bottom of the third inning.

The outlook for 1965, however is brighter, with veteran pitchers, Mike Lewis and Greg Hourlyelev and hitters, Nick Vasil and Joe Casini, all slated for starting positions.

THE ENTHUSIASTIC and spirited group everyone is always sure to hear and see at Clifton football and basketball games, pep-rallies, and assemblies, is the energetic squad of cheerleaders. From the second day of school until spring, these lively, hardworking cheerleaders practice hours after school to promote better sportsmanship and Clifton High spirit. Twelve junior and senior girls constitute the varsity squad; and the J.V. squad which cheers at J.V. football and basketball games consists of twelve juniors and sophomores. Win or lose, wherever they appear, the Clifton cheering squad is an inspiration to the team and the fans.

Conclusion

THIS PICTURE *is still not completed, nor will it be until the last piece gently slips into place. But our picture will continue to grow as we grow, and as each portion of the design is put into its proper place the brilliant spectacle will come closer to its completion.*

Our mosaic can always be viewed fondly whenever our nostalgic hearts desire. It is an expanding, lovely portrait of youth that no artist can capture. And yet, in itself, it is but a minute particle of the even more complex and magnificent mosaic of our lives.
